CAPABILITIES

STATEMENT

WHO WE ARE: Abitronix, LLC has been delivering the latest Unified Communication & Collaboration products and services for our clients since 2002. We are a **Nationwide Partner** incorporated in the states of New Jersey, New York, and Florida. We have the capability to **train, design, sell and/or install** any **Voice/Data, Audio/Video, Wireless, Surveillance and Low Voltage PoE Lighting Technology/DC Nano Grid** solutions. Additionally, since 1994 we have specialized in global product procurement, moving large volumes of materials and serving as a distribution channel to many manufacturers in the Information Communications & Technology industry. We are an MBE, SBE & DBE government certified business.

OUR CORE COMPETENCIES: Cloud Solutions, Unified Communication and Collaboration, IP Networking, Managed Services, Wireless Designs, Access Points, PoE, Low Voltage Infrastructure Cabling (Copper, Coaxial and Fiber), Cloud Surveillance Security Product & Design, Video Access Control, IP Video Distribution and 4K Video over Coaxial Design outs, Low Voltage PoE Lighting and DC Nano Grid Lighting Technology.
